## **DETAILED ACTION**

### ***Reason For Allowance***

1. The following is an examiner's statement of reasons for allowance:

The cited art of record fails to teach sequential scanning is executed by correction of the scanning lines to the scanning reference potential point and a reverse bias voltage for the light-emitting elements is supplied to scanning lines which are not connected to the scanning reference potential point to be in a non-scanning state, and wherein an operational during which a forward voltage is applied to all the data lines at least one time and an operation during which a reverse direction voltage is applied to all the data lines at least one time is executed during a predetermined scanning period, whether light-emitting of the elements is executed or not in the predetermined scanning period with a combination of all recitations as defined in claim 1.

Therefore, claims 1 to 13 are presently allowed.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
